Hey Amy,

I'm thinking this is the level of detail you were looking for, but let me know if you want something more.

Hi Michael,

I've attached the briefing slides that we gave the AA a couple of weeks ago. You will find a slide on eco risks. I've also attached the DRA (done in 2015) and the ID that was completed in 2017.

From my perspective, I was thinking that we would use the new use policy concept in that we likely just need to translate the bullets to memo format. We can point back to the ID and DRA. I'm thinking not much more than a 1 page on this. Having a draft for RD ready this week is our target.

Amy
